

WEEKLY UPDATE

1/22/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 6 residents and 23 staff members test positive for COVID-19. We currently have 1 employee that is out from a positive COVID-19 result. We held our 1st round of COVID vaccinations this week and had a great turnout. In total we vaccinated 79 staff and residents. We will hold our 2nd clinic on February 8th and this will give those a chance that initially refused to receive their first dose. If you have any questions about the vaccine, please feel free to reach out to us at the facility.

Due to the positive employee this week, visitation stays limited to essential caregivers, virtual and closed window visitation. As a reminder each resident is allowed 2 essential caregivers that are allowed to visit at specified times throughout the week. If you have any questions about this or want to set up a FaceTime visit, please contact the facility.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 254-981-7900.

Sincerely,

Justin Falley
