

## WEEKLY UPDATE

1/28/22

### Current Total Confirmed COVID-19 Cases in the Facility: 9

Staff: 5

Residents: 4 (Transferred to facility with COVID unit)

### Expected Clearance Date:

2/10/22

### Visitation Status:

Visitation is currently being carried out per facility policy. Visitation is limited to the resident's room and residents and visitors are strongly encouraged to wear a mask throughout the visit. Visitors may be required to wear additional PPE due to some residents being on transmission based precautions.

### Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 254-981-7900.

Sincerely,

*Justin Falley*
