

## *Thanksgiving Update*

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, we want to thank everyone that came out to participate in our closed window, socially distanced Thanksgiving lunch on Tuesday 11/24/20. We will also be serving staff and residents Thanksgiving Lunch on Thursday.

Also, as a reminder, we encourage not to pick up your loved ones for Thanksgiving celebrations. In the event that you do decide to pick them up and take them out on pass, we will have to ask that they quarantine on our Welcome Unit for 14-days so we can monitor for signs and symptoms of COVID-19.

As a reminder, our total number of cases to date are as follows: 6 residents and 19 staff members have tested positive for COVID-19, which includes two staff members and one resident that tested positive yesterday. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at The Brazos of Waco, I wish you a happy and safe Thanksgiving.

Sincerely,

*Justin Falley*
